botty balm

All Natural with Paw Paw

It's not much fun for Baby having nappies on all the time. So here is something to make life a little brighter. OnlyPapaya™ Baby Botty Balm has been formulated to protect, to soothe and to heal in that oh so sensitive area. We know that Mums want only the best for their Baby. That's why our products are free from petrochemicals, parabens and sulphates. Our Botty Balm has been made to include trusted essential oils, lavender and calendula to soothe and calm. In addition we have incorporated Alow Vera and Papaya to assist in the skins own healing properties and Shea Butter and Beeswax to protect. Use Botty Balm at each nappy change to soothe and calm all sensitive or aggravated areas of babies skin to help keep that special smile.

bath time

All Natural with Paw Paw, Oats and Lavender

It's time for babies bath! OnlyPapaya™ Baby Bath Time is more than a gentle cleanser. We have taken care to think about what Baby's skin needs at the end of a hard baby day. We have used the unique and natural properties of Papaya (Paw Paw), Lavender Oil and Oats, to soothe, to moisturise and to help baby's skin cope with the rigours of being a baby. Use Baby Bath Time in baby's bath water, but also as a gentle scalp cleanser. Especially good for cradle cap. The Papaya in it makes all the difference.

moisturiser

All Natural with Paw Paw, Lavender and Apricot

Take 5 minutes out of your day to massage baby all over with this luxurious moiturising baby lotion. Formulated with all natural ingredients, OnlyPapaya™ Baby Moisturiser uses Optimised Papaya Extract to help your Baby's skin's natural healing capabilities. Also, by using Apricot Kernel, Sea Buckthorn Fruit & Lavender Oil to moisturise and soothe Baby's skin and disposition. Warm lotion in the palm of your hands then apply after bath time.
